### **On-Line Race Entries**

The BRCCC is adopting the Alycat On line entry process to simplify and improve the race registration process. For racers (members or not) the advantage of On-Line entries is that you can register to race during the week and not worry about being late to the track. Further, if you are going to arrive late, this ensures you will be registered. Thus, reserving your grid position for the 1<sup>st</sup> race.

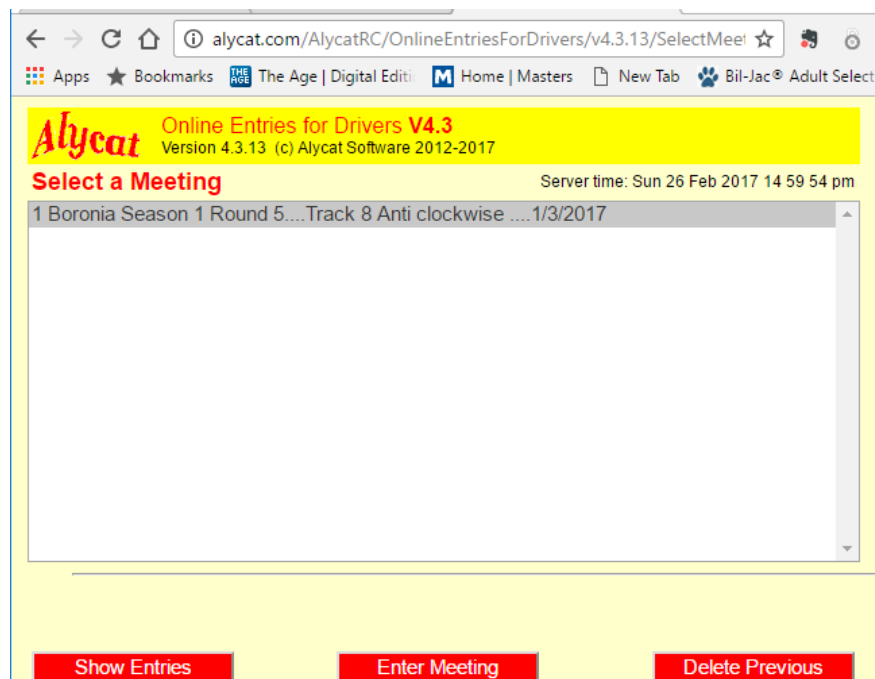

#### **How to enter on-line:**

Go to [WWW.Alycat.com/oed](http://WWW.Alycat.com/oed)

Select the "Boronia Season 1... meeting"  
then 'Enter Meeting'.

You can also use the following shortcut which hides all the other events:

[www.alycat.com/oed?MeetingMask=Boronia](http://www.alycat.com/oed?MeetingMask=Boronia)

Show Entries will list all drivers registered so far.  
Select "Enter Meeting" and use the following screen to register:

The screenshot shows a web browser window with the URL `alycat.com/AlycatRC/OnlineEntriesForDrivers/v4.3.13/Entries.php`. The page title is "Alycat Online Entries for Drivers V4.3" and it includes version information: "Version 4.3.13 (c) Alycat Software 2012-2017". The event details are: Code: Boronia Season 1 Round 5, Description: Track 8 Anti clockwise, Date: 1/3/2017, and Notes: Pay on arrival. If arriving after 6:45pm you might be moved to back of grid.

Below the header, there is a "Reload entry from previous" section with a "(select from list)" dropdown. The form fields include: "Driver Name: (First and Last Names)", "Driver Details: (car description, sponsors, team, etc.)", "Club:", "Skill: 1", and three "Class" dropdown menus: "Class #1" (21.5 Blinky (Entries: 0)), "Class #2" (No entry), and "Class #3" (No entry). A note states "(MyLaps number will be taken from club database)".

There are three "Frequency:" sections, each with radio buttons for "2.4 Open Radio (eg. Spektrum)" and "Enter values", followed by two input fields. The "Access Code:" is set to "0156" with a note "(can be changed by user, used to delete entry later from any device)".

A red "Submit Entry" button is located at the bottom of the form.

All that is required are your name and Class#1 (drop down list).  
If running a 2<sup>nd</sup> class, click on the drop down list for Class #2 and select your other class.

Payment is made on arrival to the club
