## **Boronia Radio Controlled Car Club**

Incorporated A0036675Y  
ABN 21706928839

June 15, 2017

Hello everyone.

Welcome to this latest edition of the club Newsletter.

### **New members**

A warm welcome to Zac Newton and Richard Hopkins who have joined the club this month.

### **On-Line Race Entries**

This offering proved to be unpopular so we are no longer accepting on-line entries. Should the situation change this feature can be easily resurrected. Thanks to those who tried it out and at least we now know how the process works.

### **Class: Mini Stock**

This class was requested by several members at the start of the season. The numbers competing have been too low to sustain this class. Further, number of rounds with 3 or more drivers is well below the 8 rounds required which means this class won't attract trophies for season 1.

For season 2 these drivers will need to move to our traditional Mini class.

### **Membership Fees, 2017-2018**

Membership fees for the 2017-2018 financial year are due now. All membership renewals must be paid by June 30, 2017. Any memberships paid after June 30 will require a joining fee.

**Special offer to Juniors:** Any junior member (***New or renewing***) can purchase Ryan Marker's RC tuning guide "Speed Secrets" for \$20. This book retails for \$40 and provides excellent information and explanations for setting up your RC car. The book covers everything from assembly to suspension. Thanks go to Ryan for this generous offer. Ask for the book when paying your membership (***Already renewed?*** You still get the same great deal so you have not missed out).

Any member requiring an extension must make the request during June.

Please direct all membership enquiries to David Huggan in person, via club mobile (0408 404 030) or e-mail [president@brccc.org](mailto:president@brccc.org). Personal situations are kept in confidence.

Remember we have Family memberships so if anyone else in your family wishes to join up only the additional membership fee is required.

The membership form is available on our web site or at the club. Payments can be made in person on club nights or via bank deposit (see payment details on the membership form).

Our membership fees remain incredibly affordable so why wouldn't you renew.

Thank you to those who have already renewed.

## **Presentation night & Season 2**

Season 1 presentations will be held after round 1 on Wednesday July 12.

There will also be a BBQ with sausages (\$2) and Hamburgers (\$5).

As is our tradition, points for the last 3 rounds are not published. This adds mystery to the final results and indeed some top 3 positions may very well change as the gaps are very close.

Classes for season 2 include OPEN, Mini, 21.5 Blinky, 17.5 Blinky, 13.5 Blinky and SCT.

## **AGM 2017**

Our next AGM will be on Wednesday August 2nd after round 1.

All current positions become vacant at the AGM. All financial club members are eligible to stand for any of the positions or nominate other financial members for particular roles.

Nomination forms will be available on our web site and will also be obtained from the control room.

This advance notification is to provide members with sufficient time to think about who they would like to see on the next committee as well as consider any personal involvement.

For more details, please do talk to any of the current committee members (in case you've forgotten they are Gary, David S., David H., David M., John and Scott).

## **July Committee meeting**

Tuesday July 4, 2017 at 7pm – Club room.

As always members are welcome and encouraged to participate.

This will also be the final committee meeting for the current committee as the AGM in August will replace the monthly meetings

## **On-Line Race Results**

From now on you will notice a new Results entry called "**Round 23 Raw\_Lastnight**" on our results page. This is a trial of an existing Alycat feature to automatically upload race results at the end of a meeting.

Alycat can't create folders and can't present results in the manner you are familiar with. This evaluation exercise should provide members with almost instant on-line post meeting access to results while reducing behind the scenes effort by the committee. As always, the results will be presented in the familiar format to the correct "Round nn" post. Usually by Thursday morning. At this point the temporary posting will be cleared.

### **Upcoming events**

- Bendigo Classic 2017 – It's on again with date to be confirmed soon.
- Vic Titles 2018 – Wodonga
- **Vic Titles 2019 – BRCCC**
- Vic Titles 2020 - Geelong

Cheers,

David Huggan  
BRCCC President
